### 3. RENEWAL OF SHARE ISSUE MANDATE

An ordinary resolution as set out in ordinary resolution no. 6 in the AGM Notice will be proposed at the AGM to seek the approval of the Shareholders to grant to the Directors generally and unconditionally the Share Issue Mandate to issue Shares whether by way of rights, bonus or otherwise, and/or make or grant offers, agreements or options (collectively, "Instruments") that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into Shares, at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit provided that the aggregate number of Shares to be issued (including Shares to be issued in pursuance of Instruments made or granted pursuant to this ordinary resolution no. 6) does not exceed 50% of the total number of issued Shares (excluding treasury shares) in the capital of the Company at the time of the passing of this ordinary resolution no. 6, of which the aggregate number of Shares to be issued other than on a pro rata basis to Shareholders (including Shares to be issued in pursuance of Instruments made or granted pursuant to this ordinary resolution no. 6) shall not exceed 20% of the total number of issued Shares (excluding treasury shares) in the share capital of the Company. For the purpose of determining the aggregate number of Shares that may be issued, the percentage of issued Shares shall be based on the total number of issued Shares (excluding treasury shares) in the capital of the Company at the time this ordinary resolution no. 6 is passed, after adjusting for (a) new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time this ordinary resolution no. 6 is passed; and (b) any subsequent bonus issue or consolidation or subdivision of Shares.

Unless revoked or varied by the Company in a general meeting, the Share Issue Mandate will expire at the conclusion of the Company's AGM, or at the expiration of the period within which the Company is required by the rules of the SEHK or SGX-ST or any applicable laws of Hong Kong or Singapore to hold its next annual general meeting, whichever occurs first.

The Listing Rules provide that the Share Issue Mandate shall be subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted under the Share Issue Mandate must not exceed 20% of the existing issued share capital of the Company. Going forward, notwithstanding the grant of Share Issue Mandate, the Company will comply with the requirements under the Listing Rules or the Listing Manual for matters relating to the Share Issue Mandate, whichever is more onerous.

Subject to the passing of the resolution no. 6 in the AGM Notice for the approval of the renewal of the Share Issue Mandate, the aggregate number of Shares allotted or agreed to be allotted under the renewed Share Issue Mandate must not exceed 20% of the total issued share capital of the Company (excluding treasury shares) as at the date of AGM. As at the Latest Practicable Date, the Company has an aggregate of 232,500,000 Shares in issue. Subject to the passing of the resolutions for the approval of the renewal of the Share Issue Mandate on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the renewed Share Issue Mandate to allot, issue and deal with a maximum of 46,500,000 Shares. The grant of Share Issue Mandate will provide flexibility to the Directors to issue new Shares when it is in the interest of the Company.

The sending of a proxy form by a Shareholder does not preclude him from attending and voting in person at the AGM if he finds that he is able to do so. In such event, the relevant proxy form will be deemed to be revoked.
